## Appendix

### Response to Item 9

**Item 9: Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.**

The registrant provides public relations and media relations support to Ukraine, including by engaging with U.S. media representatives, U.S. government officials, NGOs, educational institutions, think tanks, investors, and foreign policy experts; arranging media interviews; developing and pitching op-eds; organizing events; and creating opportunities for Ukrainians to interact with U.S. media, NGOs, think tanks, investors, foreign policy experts, and other sections of the U.S. public.

In February 2022, the registrant's Ukrainian employee, while outside the United States, engaged with foreign policy and national security reporters in the United States regarding Ukrainians who traveled to Ukraine after the beginning of the Russian invasion of Ukraine. Between February and July 2022, the registrant arranged media interviews and panel presentation opportunities for Ukrainian government officials and Ukrainian civil society representatives. In March 2022, registrant's Ukrainian employee developed and pitched op-eds by a Ukrainian scientist, Valerii Pugatch, and a Ukrainian editor, Iryna Sologub regarding the Russian invasion of Ukraine. In April 2022, the registrant developed and pitched an op-ed by Ukrainian Minister of Defense Reznikov, which was published in the Wall Street Journal, on April 21, 2022, regarding Russian War Crimes in Ukraine. The registrant connected registrant's Ukrainian employee with U.S. government officials and media traveling to Ukraine or covering the war in Ukraine. In June 2022, the registrant worked with Ukrainian civil society representatives and the Ukraine Armed Forces to introduce a Ukrainian air force pilot delegation to U.S. media to advocate for the U.S. support of Ukrainian Air Defense and to establish a training program for Ukrainian pilots. The registrant arranged and paid for the event, sent invitations and background materials to U.S. media regarding the event, arranged for media interviews for the Ukrainian pilots, and officials of the registrant attended the event.

The registrant opposes the Russian invasion of Ukraine, and it undertook these activities motivated by its compassion for the Ukrainian people, on a volunteer basis and without compensation. The registrant's team includes a Ukrainian national who has volunteered to help the Ukrainian government. The registrant's activities in this matter are in support of its Ukrainian colleague. While the registrant undertook these activities in its own interest, it also communicated with Ukrainian government officials and Ukrainian civil society representatives regarding certain of its activities. Accordingly, the registrant undertook this registration as a cautionary measure in the interest of transparency.
